

**APPLICATION FOR INFORMATICS INTERNSHIP
ARIZONA STATE UNIVERSITY
SCHOOL OF COMPUTING AND INFORMATICS**

Department Internship – CPI 484 3 Credit Hours

Credit, Prerequisites, and Requirements:

1. Students interested in internship opportunities will email Dr. Hasan Davulcu at hasandavulcu@asu.edu with a resume. If student is hired for an internship, student will complete form to enroll in CPI 484 Informatics Internship.
2. A student must work 20-40 hours/week during an 8-week Summer session. The summer work can (and normally will) extend beyond the 8-week summer session to cover the entire 12 weeks of the summer break, but the requirement for credit includes only the 8 weeks of the 8-week summer session.
6. Students will receive a Y/E grade for Internship
