\* If you decide not to pursue Information Assurance with your B.S. then you will need to have it removed from your DARS report before you can graduate. You can request to have it removed at the SCI Advising Center, Brickyard Suite 208, or in the Graduation Office, SSV Room 140.

\* B.S. Degree capstone courses: the capstone project in CSE 485 and CSE 486 must have a major portion of the content in the Information Assurance area. Pre-2006-2007 catalog year students, contact the CSE Advising Center for options to meet this requirement.
