

**APPLICATION FOR INDEPENDENT STUDY/HONORS THESIS COURSE  
ARIZONA STATE UNIVERSITY  
SCHOOL OF COMPUTING AND INFORMATICS**

**Independent Study Policy:** Independent study credit cannot substitute for a catalog course nor as a means of taking a catalog course on an individual basis. An Independent Study course may be taken only by *Senior* students who have completed at least one semester in residence and who have a cumulative **GPA of 3.00 or higher in the major or field of specialization**. A special class fee may be required. Refer to the current ASU catalog, under “Classification of Courses,” for additional requirements and qualifications for “499 Independent Study ” coursework. Please note that students may not use more than 6 hours of total credit in CSE 499, 492, 493, and 484 towards either degree program in Computer Science and Engineering. Computer Science honors students are allowed to use an extra three hours for their elective which can be satisfied with CSE 493.
